Intern Job Description

Walters Photographic specializes in school, dance and sports photography of children. Our sessions take place on location during two distinct seasons. The Fall Season lasts from September 1 until about November 15th and starts again about March 1st and ends in the middle of June. **If working seasonally works for you, please read on...**

Note: *This is a part-time seasonal job.* We work mornings only in most schools (7am to noon) and afternoons and some weekends when we photograph dance and gymnastics. If you would like the flexibility of working during the "school" season, please read on.

Our company: Working with Walters Photographic means you will be part of a team within a small company (6 employees). Your ideas and input will be important to us.

Working with children: Children are fun and spontaneous! This job is never boring. You must LOVE children and understand how they react. You must be patient and be ready to be funny.

Hours: We start early due to the necessity of photographing preschool children when they are at their best. Most schools we start at 7am and are done by noon or earlier. Sports and dance jobs take place in the afternoon or on weekends. We work about 6 weekends a year only.

Locations: We work all over the valley. We are at a school or dance location for either one or two days, depending on their enrollment. You will be driving to these locations each day.

Pay: Pay starts at \$10 an hour with a gas stipend available. Pay will increase as you increase in responsibility and begin to photograph children.

Job description: Photographic intern will learn on the job. Duties will include

- ✓ Prepping children for photography
- ✓ Learning our computer program (we photograph all children using the camera attached to the computer)
- ✓ Setting up and taking down equipment
- ✓ Helping to organize the session
- ✓ Acting as a liaison to the school staff
- ✓ Relating to and having fun with the children as they are waiting to be photographed.
- ✓ Learning to photograph children

Qualifications:

- ✓ You must supply references that we can actually talk to and ask questions about your work experiences
- ✓ You must pass a background check
- ✓ You must have adequate transportation and be on time to every job
- ✓ You must have a phone and email so we can contact you with job changes and hours
- ✓ You must get along with and work as a team with your fellow photography team.
