

Quick directions for ordering your child's pictures

- 1.** Choose your favorite poses (*Enter pose number carefully. If wrong pose is entered by you, package will be remade at your expense. New! You build your own packet, see your order form*)
- 2.** Choose the packet most convenient for your family. *New! You may include poses from more than one child in your package. Read directions on order form carefully to take advantage of this! The children must be from the same family.*
- 3.** Enter the proof numbers for the chosen poses.
- 4.** Print your child's (children's) name(s) exactly as you want them to appear on any special products on the "confirm spelling" line.
- 5.** Order and pay for retouching if you want small blemishes removed from your child's face. (\$15) State exactly what you want retouched.
- 6.** Order a Cd if you would like to own the image and use it for family photo projects.
- 7.** Make payment by giving your order form and payment to your director
