

Join our team of photographers as we photograph children, sports teams, dancers and gymnasts. Learn on the job as you rotate positions (photographer, poser, computer operator). Advance in pay and skills. . Earn extra hours by learning how to enter orders and doing pickup and delivery of photo materials. Work in a variety of locations at a job that is never boring and contains unlimited growth potential.You will be required to have a background check and fingerprint card.

Please complete the job application and this form and send by mail to Walters Photographic, 12402 N. 65th Street, Scottsdale, AZ 85254 or scan these pages and change to pdf and send via email to photowalters@hotmail.com.

Thanks!

Please check the statements below and include with your application.

I understand that this job is seasonal (approximately March to June 12th and August 30th to November 15th along with a few December dates).

I understand that I need to provide my own transportation to each job.

I understand that I am part of a team and must be on time and ready to work with my team on each and every job.

I understand that I must pass a background check, obtain a fingerprint card and supply references for the safety of the children that I will be working with in each location.

I understand that Walters Photographic will supply training and that in addition, it is up to me to work on my photography skills on my own.

I understand that there will be standards of behavior that I must conform to for the safety and comfort of the children and staff members of the clients that we serve.

I understand that I must be a United States Citizen or supply an I 9 form.

I understand that I must have a valid social security number.
